Video:

3 Productivity methods

Lector Tomáš Doležal introduced in his video **3 different productivity methods** (Pomodoro technique, The Eisenhower Matrix and Time Blocking).

Scan a QR code below and take a quiz at the <u>www.todoist.com</u> website (<u>https://todoist.com/cs/productivity-methods</u>).

- 1) Which **productivity method** did the quiz suggested for you?
- 2) Try to apply this suggested method for one day and then evaluate it for yourself. Was the method working you? Will you continue working with it?

Academy4Business project (reference no. 2022-2-EE01-KA220-HED-000100644) has been funded with support from the European Commission.
