# 5 tips to start creating your personal brand

### Task: Create you personal vision.

You need to know, who you are and who you want to be in the future. Start with answering following questions:

1) What are your **unique skills**?

2) What are you **good at**?

3) In what **values** do you believe?

4) Where do you **see yourself in 5 years**? Would you rather work for big international company or are you looking for more flexibility or maybe would you like to set up your own startup?

Based on this set of questions, **set your clear goals what you would like to achieve in 5 years**. Then step by step you can develop a plan how to achieve these goals.
